October 18, 2017

Dr. Jim Robinson  
Greene Community College  
4000 College Blvd.  
Hilton Head, SC 29925

Dear Jim:

InfoTech sponsors numerous scholarships and hires at least five students from Greene Community College, (GCC) each semester as interns. These students are some of the best interns our company works with and we are proud have such dedicated interns.

This year InfoTech is hosting a company wide sales meeting, bringing in 200 sales representatives and their families. Tiffany Lane and Ronald Smith, GCC alumni, will attend the meeting with their families. The sales meeting will be taking place on April 28, 2018. With the date being the same as GCC graduation, we are not able to host both events due to parking and building constraints.

We took the liberty of identifying two other available locations to host GCC graduation:

- Hampton Inn
  - Janice Edwards: (843) 371-2593
- Palmetto Hall
  - Michael Rue: (843) 325-5678

We are excited to hire more student interns and graduates, in fact, some of GCC's alumni are now top executives with InfoTech. We look forward to continuing our relationship with GCC.

Best regards,

Elizabeth A. Geier
